Commissioner for Patents  
Alexandria, Virginia 22313-1450

Sir:

In reply to the Office Action of June 19, 2003 wherein restriction has been required, Applicant hereby elects Group I (claims 1-14), with traverse, for prosecution in the above-identified application.

Thus, it is respectfully submitted that the search and examination of the entire application could be made without serious burden. See MPEP §803 in which it states that "if the search and examination of an entire application can be made without serious burden, the Examiner must examine it on the merits, even though it includes claims to distinct or independent inventions." It is respectfully submitted that this policy should apply in the present
